**"WINNERS of the WEST"**  
Episode Sixteen  
**"Hidden Gold"**

**A**RTHUR STANDISH unmasks the fraudulent, mysterious Spaniard and reveals him as Louis Blair. The irate miners of the Midas insist upon hanging him for his treachery. Betty pleads with Arthur to save Blair.

Arthur saves Blair, takes the original map, and plans to start in the morning for the cave wherein the gold is hidden.

That night Blair repays Arthur's kindness by again trying to steal the map with the aid of his hirelings. Arthur defeats them, and Blair misdirects a bullet intended for Arthur and hits instead one of his accomplices.

In the morning Arthur and Betty arrive at the cabin of John Standish. He obtains the old blunderbuss of his ancestors and following the instructions of the map, measures with it and finds the hidden treasure cave entrance in which the gold is cached.

Blair and Claire block the entrance of the cave with a huge boulder. Standish and Betty are buried alive. The mysterious Spaniard tries to rescue them, but Blair covers him with a pistol. And, without hope, exhausted and doomed, even their candle burns out as the shadow of a mysterious foe creeps upon them.
